## WORK ERGONOMICALLY, CLEAN EFFICIENTLY. WITH THE IDEAL SWEEPING HEIGHT. XP 3 eco

- The new generation XP 3 eco is equipped with a new micro exhaust filter PP and micro hygiene filter. The three-step filtration system has been improved considerably to provide more prevention for user and environment.
- The single-motor fully automatic comfort-class vacuum cleaner cares for textile flooring as gently as it is thorough with its operating width of 448 mm.
- The brush adjusts automatically and exactly to any floor covering from high pile to needle punch carpet.
- The light model is easy to steer ensuring fatigue-free operation even over longer periods.
- With its very flat construction, XP 3 eco has no problem reaching under beds and dressers.
- Extendible tube and telescopic hose for cleaning hard to reach places are standard.
