DATA SHEET. SCRUBBER DRYER RA 55IK 40

PERFECT SUCTION. EXTREMLY ROBUST: THE 40 LITRE CABLE MACHINE THAT GOES ON AND ON. RA 55 K 40

Practical: cleaning accessories always close at hand

Greater comfort with large wheels

Quick and easy seal changes

- The compact, mains operated scrubber dryer for continuous duty on small and medium size surfaces.
- Up close: the moulded, ergonomic operating handle and the singleaxis design provide effortless manoeuvrability in the tightest space.
- Large wheels for greater comfort and easy transport.
- O The mains operated machine is low in weight, making it the ideal solution for pressure sensitive floors.
- C Large fresh water opening with mesh insert for rapid filling without the need to open the tank cover.
- Easy to clean: the recovery tank has smooth walls and opens fully for rinsing and disinfection. HACCP compliant.

- The cover seals can be changed quickly and easily without tools.
- Compact design and removable squeegee tool for easier handling and transport.
- Exceptionally high brush pressure for perfect cleaning results.
- Simple, intuitive operation with a self-explanatory display.
- () The patented mounting system of the curved squeegee tool follows the movements of the machine and leaves no streaks even in tight turns.
- EUnited tested and certified.
- Made in Germany.

Perfect suction results even in tight turns
