# THE POWERFUL CLASSIC IN THE COMPACT CLASS.

## SW 3000

- ❶ The Powerful wet and dry vacuum cleaner in the compact class for the cleaning of medium-sized surfaces.
- ❷ Robust construction with ideal weight distribution for excellent stability.
- ❸ With five double swivel castors the vacuum cleaner is extremely manoeuvrable and easy to use everywhere.
- ❹ The elastic impact ring protects the vacuum cleaner and the furnishing.
- ❺ The integrated socket allows the use of further equipment.
- ❻ High quality standard suction accessories: squeegee tool with 450 mm working width, a long suction tube and a reinforced suction hose.
- ❼ Optional: extensive additional accessories available.
