

Data Sheet

ST 11 nxt

The versatile all-rounder for every application – equipped with an extensive range of accessories and a large 11-liter fleece dust bag for professional use.

Designed for stability and maneuverability: the new low-center-of-gravity design and rubber-coated rear wheels ensure a secure stance and smooth, track-stable movement.

Remarkably quiet at just 57 dB(A), making it ideal for noise-sensitive environments.

A high-visibility plug-in cable with strain relief delivers maximum safety and reliability during operation.
