

Data sheet

ST 7 nxt

A powerful entry-level vacuum designed for everyday maintenance cleaning — equipped with a generous 7-liter fleece dust bag to keep you going longer. With an ultra-quiet operating noise of just 57 dB(A), it delivers outstanding cleaning performance even during business hours. Lightweight at only 4.3 kg and compact in its fresh new design, it features integrated holders for the floor nozzle and accessories to simplify transport and save valuable storage space.

The high-visibility plug-in cable with strain relief provides maximum safety and reliability during use.

Exclusive to columbus: high-performance Class M fleece dust bags with Bioneem — the ideal choice for hygienic, anti-allergenic cleaning.
