

Data sheet

ST 7 nxt

Powerful professional vacuum cleaner with a 7-liter fleece dust bag for daily maintenance cleaning. Pleasantly quiet at only 57 dB(A), enabling low-noise operation even during business hours. Lightweight at just 4.3 kg, with a stable design featuring a parking hook for the suction nozzle and integrated storage slots for accessories. Tool-free removable power cable in signal color with strain relief for maximum operational safety.

Equipped as standard with a manually replaceable HEPA (H13) exhaust air filter.

Exclusive at columbus: Fleece dust bags of filter class M with Bioneem – the ideal choice for anti-allergenic cleaning.
